

KINDRED HEALTHCARE INCLUSION COUNCIL

Kindred Healthcare’s Inclusion Council is committed to realizing Kindred’s goal of promoting an inclusive environment that actively values diversity among all our team members, patients and families, and the broader community. The Council’s purpose is to advise and propose to the senior leadership of Kindred Healthcare how to implement inclusion strategy initiatives based on the goals of the organization. The Council will be responsible for ensuring that day-to-day inclusion-related work is planned, prioritized and implemented across the Kindred system for patients, team members, suppliers and the community as outlined in the Inclusion Strategy.
